### November 2016

Sam Campbell was employed to fell several trees to make way for the parking spaces outside the wall. Over and above his remit he cut up the wood to enable us to sell the logs. Thanks Sam.

### December

The Trustees had a table at the Dunoon Dazzle Christmas Event and made over £350. Thank you to all who contributed to the stall.

A grant, awarded by Cowal Health and Wellbeing Network, will assist with the transportation of volunteers to the garden.

There was a 'Sparkle Bomb' the Garden event. Locals and visitors brought Christmas decorations to sparkle the children's area. Thank you to all who participated.

### January 2017

Neil Robinson kindly gave us 2 of his wooden crafted reindeers for the children's area and they seem to like their new surroundings.

### February

A diesel generator was installed behind the main shed. There is now power in the shed and outdoor electric sockets for events.

Lynn gave a talk at the first meeting of the DASH Recovery Cafe

The garden had a stall at the Jobs' Fair in Dunoon Grammar

National Park Volunteers returned to the garden and will continue to volunteer on the last Saturday and second Sundays of the month.

Neil Black and Eilidh McKerry from the National Park visited the garden on their annual grant monitoring visit. They were delighted with the progress of the garden.

### March

The Road Upgrade and 2 Disabled Parking spaces as well as parking for a minibus and 1 car were completed by Ross Macarthur Contractors Ltd.
