Work on the A83 will begin resurfacing works shortly. Information of this will be put on noticeboard and website.

Letter from Highland and Small Communities Housing Trust to advertise their Self Build Loan Fund. More info on noticeboard.

Forestry Commission No report. Alistair contacted the commission for a report but with no response. The importance of have up to date reports from the forestry was acknowledged. Alistair will attempt to make contact with them again for the next meeting.

### National Park Report

In regard to the proposed fish farm, there has been no formal application put in to the National Park. Bob went on to outline the process of applications.

Western Ferries have put in enhanced plans for their proposal of changes to Kilmun pier

Forestry Commission Scotland has a new Regional Manager, Carol McGuiness. Several Community Councils have raised concerns about the lack of "visibility" from the forestry commission. Some of

### Emergency Action Plan.

Alistair gave an update on the process of developing the Action Plan. This is a particularly large time-consuming piece of work but there may be more progress by the next meeting.

### Church car park toilets

Marian outlined the history of the toilets and the reason why Ardentinny CC took over the cleaning etc. of the toilets. However, there are no additional volunteers coming forward to help.

Concerns over the existing contract have arisen and needs further investigation on particular points. The main concern is that there may not be public liability in place. On this basis it was decided to close the toilets until the question of insurance is resolved.

### Delegates Reports

Caucus A meeting held with the CEO of the NHS to discuss the future of our local health services. Minutes of the meeting have been sent out but these are still to be amended and approved.

Website, Nothing to report

Planning Nothing to report

Community Action Plan Rob reported that he had been contacted about the 'Place Standard' which is a Scottish Government tool that can be used to find out how people feel about their area, which can then feed into compiling an Action Plan. All groups in the village had been contacted to see if they were interested but there had been no response. Samantha Somers at the Community Planning provided a link to the process to see how it works. <https://www.youtube.com/watch?v=kbEh9wv60Lc> One of the more important issues which will be included will climate change as part of community planning.

An application to the Renewables Trust will be made for rendering and painting of the outside.

Limited resources through the summer means we will hold up any fund-raising events until autumn.

Classes continue.

Next meeting of the hall committee is 30th July at 7.30

### Ardentinny Community Trust

Some of the new raised beds have been planted and a few are managed by locals.

Fifty, Primary 1 and 2 pupils from Kirn Primary came out to Ardentinny and the Walled Garden for their Summer Trip.

One of the young pupils has since brought her family out to show them around the Garden.

The Garden hosted a Table Top Sale with music provided by 'The Hawf Pint Band'.

We have continued help from a regular band of volunteers, Community Payback, HELP Ltd and National Park Volunteers.

The large storage and public structure is finished.

We have received a grant from the Ardentenny Renewable Trust to purchase tables and chairs for events.

Now we are getting ready for the Big Picnic which is from 12 – 4.30 on Sunday 28th of July.

There will be live music and light refreshments as usual.

#### Ardentenny Conservation and Heritage Group

We got together to have a general tidy up of Coronation Wood. Verges were cut and some of the broken branches used to make an animal sanctuary and a stick circle. Due to lack of communication from the Forestry we have not managed to get the paths cut at the Nature Trail and Bird Hide. We can't access the Laird's Grave at the moment.

#### AOCB

Community Interloch

There is the possibility that groups can access this service for community outings etc although dependent on the availability.

#### Defibrillators

Jim suggested that either one or two defibrillators are accessed for the village. Neil will send Jim information on funding for this.

#### Road Safety

Last February 2018 there was an email from Nigel Potts to say that they will put slow signs at the area of the Arden tinny. This has not been done. This is a very dangerous area with several access points onto the C9. Several issues were contained in the email of Feb 2018 - none of which have been addressed.

Concerns about the speed of cars through the village was discussed and whether the existing speed restrictions in the village could be extended. Alan was asked to take all these concerns back to Nigel Potts.

#### Mailing list

If anyone wishes to be on the email list please get in touch with the CC members

Vicky asked why there was a hold up with the Emergency Plan. Alistair gave the reasons for it not being completed.

Date of next meeting 30th September 2019
